

BRIEF WARNINGS FOR THESE TIMES

Be alone with God in His Word.

In Scripture, almost everyone who came to God was alone with Him — Noah, Abraham, Isaac, Jacob, Moses, Elijah, Paul, John, etc. Be alone with God in His written Word. Look to Him, alone, as your One Teacher of His written Word. Anything in Scripture... what does it mean, and why is it in God's Word? Only He can show. Wrestle with the Scriptures — His flesh and body of work — and wait for Him to reveal.

Jacob was left alone, and a man wrestled with him until daybreak. Gen 32:24

Then He opened their minds to understand the Scriptures Lk 24:45

“One is your Teacher” / “You call Me Teacher and Lord, and ... I am” Mt 23:8 / Jn 13:13

Stay away from organized religion.

Where does God ever say to go to a church, temple, or synagogue to know Him, find Him, and find salvation? He had thousands of years and 66 books of Scripture to tell you to do this. But He didn't. Why? What does He say instead?

“Behold, I am against the shepherds, and I shall demand My sheep from them” Ek 34:10

avoid such men as these 2Tim 3:5

“hear what the Spirit says” *repent and overcome* Rev 3:22

A world war is coming.

Before Armageddon at the 7th Trumpet comes the Battle of Hamon-Gog at the 6th Seal. What is Hamon-Gog? Russia and Iran will attack and invade Israel. It will be a nuclear war, with untold millions dying in Russia, the U.S., and other parts of the world. Keep an eye on three countries: Russia, Iran, and Israel. This war could come very soon.

“you will come up against My people Israel ... in the last days” Ek 38:15-16

“the sky was split apart like a scroll” Rev 6:14

“And I shall send fire upon Magog and those who inhabit the coastlands in safety; and they will know that I am the LORD.” Ek 39:6
