

GLOBAL WARNING!!!

From creation through Revelation, there is only one God who records in a Book everything that He wants to make known, whether openly or in mysteries.

In 1948, God caused Israel to be reborn in one day. This tiny nation is the key to God's timetable of the end. God calls Israel "the center of the world." Keep a close watch on what is happening there.

The following is an orderly list of looming events, all leading up to the return of Christ. In fact, there may be less than three years until the devastation of the Battle of Hamon-gog...

- Pestilence (sound familiar?), shortages, crippling inflation, famine, lawlessness
- Battle of Hamon-gog
 - This will be a war among the sons of Noah. An alliance of Mideastern (Ham) and non-Mideastern countries (Japheth / Magog) will attempt to invade Israel (Shem). This will lead to a nuclear world war. The sky will "split apart like a scroll." God will send "fire" upon several prominent countries (those in the West, be warned). People will hide from "Him who sits on the throne, and from the wrath of the Lamb." Millions will die, but God will defend Israel for His Name's sake.
- A post-war transitional period
 - A new temple will be built in Jerusalem, and temple sacrifices will resume. Ten nations will unite, forming a new world empire ("the beast"). Four will come under one leader, and later all ten. The leader of the beast will sign a seven-year peace treaty with Israel.
- Hail mixed with fire will burn a third of the earth, causing malignant sores upon people who have "the mark of the beast."
- A major volcanic eruption will burn a third of the sea, killing sea creatures and destroying ships.
- A great meteorite will fall to earth, contaminating a third of the fresh waters. Many people will die from the bitterness of the waters.
- A third of the sun, moon, and stars will be darkened. The sun will scorch men with fire.
 - Around this period, the beast will stop the temple sacrifices and set up the "abomination of desolation." God's two witnesses will appear in Jerusalem and prophesy for 1260 days.
- The beast's capital will be darkened. Helicopters will spray poisonous gas. The pain will be so great that people will long to die, but cannot.
- The Euphrates River will dry up, enabling a 200-million-man Eastern army to cross. The troops and their tanks will kill a third of mankind. The armies of the world will gather for war at the Valley of Megiddo.
 - Around this period, the capital city of the beast will be burned and destroyed. God's two witnesses will be killed in Jerusalem, but will rise from the dead after 3½ days.
- Battle of Har-Magedon (Armageddon)
 - This war will include all of God's creation: all the nations of the earth, plus the "sons of God," and even the Lord Himself. The Lord will return with "the fierce wrath of God, the Almighty." The sword coming from His mouth will slay the armies of the nations. Hundred-pound hailstones will crush men. There will be blood up the horses' bridles for 200 miles.

The white horse (Spirit of God) is driving people to the Word of God. Why? To be alone with God in His Word, away from men and church. Will God's end times cause you to examine His Word with a new attitude? Will you find Him in truth before time is up?
