

# Why Should You Care About the Four Horses of Revelation 6?

## DO YOU KNOW ABOUT GOD'S SYMMETRY?

There is symmetry among God's major themes in Scripture. See below how the four horses match up with the parable of the sower, and the lusts and growth process of 1John 2:

horses	par. of sower	3-lusts battle	process
pale horse	plucking bird	boastful pride of life	babe
black horse	rocky place	lust of the flesh	child
red horse	thorns	lust of the eyes	young man
white horse	good soil	Word of God	father

## WHICH KIND OF FEAR DO YOU HAVE?

pale – You fear death.

black – You fear not getting what you need.

red – You fear not getting what you want.

white – You fear not having God; you fear God's judgment, especially His final judgment; and you fear not being with God forever with Him in charge.

## FOURTH OF THE EARTH?

As the end times Seals break, God gives authority to the four horses to kill a fourth of the earth. Which fourth? The west, or so-called Judeo-Christian quarter of the world, is the part that has battled over the Word of God. The Bible was printed in Europe, then the Word of God gradually moved west to the Americas. Scripture says that the isles and coastlands (the west) would wait for His Law. During the Seals, the four horses will mostly affect this lawless quarter of the world. (lawless: see pg 1 of "What On Earth Is Going On?")

**Rev 6:8 – authority was given to them over a fourth of the earth**

# Why Should You Care About the Battle of Hamon-Gog?

## A BATTLE OF THE SONS OF NOAH

The whole earth was populated by Noah's three sons: Shem (Israel), Ham (middle eastern countries) and Japheth (everyone else). Hamon-Gog will be a battle among their descendants. Ham and Japheth (Gog is a son of Japheth) will come against Shem/Israel. Thus, Hamon-Gog (men only) will be different from Armageddon, which will include men, angels, and even the Lord Himself.

**Gen 9:18-19 – Shem and Ham and Japheth ... from these the whole earth was populated.**

## LIKE THE DAYS OF NOAH AND LOT

Both the 6th Seal (Hamon-Gog) and the 7th Trumpet (Armageddon) are days of the Lord. Leading up to those days, people will be focused on normal earthly matters. Most will have no idea what God is about to do. While they are busy going about their everyday lives, unexpected destruction will come upon them suddenly.

**Lk 17:27 – "eating ... drinking ... marrying"**

**Lk 17:28 – "buying ... selling ... planting ... building"**

**Mt 24:39 – "they did not understand until the flood came"**

**1Ths 5:3 – destruction will come upon them suddenly**

## NOW IS THE TIME TO GO TO GOD!

God knows His Word and He alone can teach it in truth. Believe only God (righteousness) and reject the religious traditions and teachings of men (wickedness). Do it now. If you can't give God time now when life is still easy, how can you think you will do it once the world is in chaos, and it takes everything you can do just to stay alive? Hamon-Gog is approaching – probably very soon. Once the nuclear sirens go off, there will be no time at all.

**Isa 55:7 – Let the wicked forsake his way**

**Isa 55:6 – Seek the LORD while He may be found**

**Rev 19:12-13 – He has a name ... which no one knows except Himself ... His name is called The Word of God.**
