

## The Write to Life...

The Author and Creator of Life is also the Author of a Book – the Bible. It is the Word of God, which He caused to be scribed, assembled, and published.

The tablets of the Law were written by the very finger of God, and the first five books of the Bible were dictated by God to Moses.

The Word of the Lord came to the Prophets and directed them to inscribe the warnings, promises and mysteries of God for the ages to come.

The Word of God was sent in the flesh, where He lived by the Law of God, spoke only the words of the Father to His creation, and wrote with His finger in the dust of the earth.

After He died, was resurrected, and ascended to Heaven, He sent His Spirit of Truth to inspire the writing of the New Covenant, to bring to mind all the words that He spoke, and to write His Law on the hearts of those who believe and fear His name.
